

Toll Brothers, Inc. to Withdraw Pacific Exchange Listing; Retains New York Stock Exchange Listing

December 14, 2006

HORSHAM, Pa., Dec. 14, 2006 (PRIME NEWSWIRE) -- Toll Brothers, Inc., (NYSE:TOL) (www.tollbrothers.com), the nation's leading builder of luxury homes, today announced plans to withdraw the listing of its common stock from NYSE Arca, Inc., formerly the Pacific Exchange. Toll Brothers' common stock will continue to be listed on the New York Stock Exchange.

Toll Brothers has decided to withdraw its listing from NYSE Arca, Inc. to streamline operations and eliminate duplicative administrative requirements inherent with dual listings as a result of the NYSE Group's recent merger with Archipelago Holdings, the parent company of NYSE Arca. The withdrawal is expected to be effective within the next month.

Toll Brothers does not believe that withdrawing its listing from NYSE Arca, Inc. will have any impact on the liquidity of its stock. NYSE Arca will continue to trade Toll Brothers stock on an unlisted trading privilege basis.

Toll Brothers, Inc. is the nation's leading builder of luxury homes. The Company began business in 1967 and became a public company in 1986. Its common stock is listed on the New York Stock Exchange and the Pacific Exchange under the symbol "TOL". The Company serves move-up, empty-nester, active-adult and second-home home buyers and operates in 21 states: Arizona, California, Colorado, Connecticut, Delaware, Florida, Illinois, Maryland, Massachusetts, Michigan, Minnesota, Nevada, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Texas, Virginia and West Virginia.

Toll Brothers builds luxury single-family detached and attached home communities, master planned luxury residential resort-style golf communities and urban low-, mid- and high-rise communities, principally on land it develops and improves. The Company operates its own architectural, engineering, mortgage, title, land development and land sale, golf course development and management, home security, and landscape. The Company also operates its own lumber distribution, and house component assembly and manufacturing operations.

Toll Brothers, a FORTUNE 500 Company and No. 102 on the Forbes Platinum 400 based on five-year annualized total return performance, is the only publicly traded national home building company to have won all three of the industry's highest honors: America's Best Builder from the National Association of Home Builders, the National Housing Quality Award, and Builder of the Year. Toll Brothers proudly supports the communities in which it builds; among other philanthropic pursuits, the Company sponsors the Toll Brothers - Metropolitan Opera

International Radio Network, bringing opera to neighborhoods throughout the world. For more information, visit tollbrothers.com.

Certain information included herein and in other Company reports, SEC filings, statements and presentations is forward-looking within the meaning of the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements concerning anticipated operating results, financial resources, changes in revenues, changes in profitability, interest expense, growth and expansion, anticipated income to be realized from our investments in unconsolidated entities, the ability to acquire land, the ability to secure governmental approvals and the ability to open new communities, the ability to sell homes and properties, the ability to deliver homes from backlog, the average delivered price of homes, the ability to secure materials and subcontractors, the ability to maintain the liquidity and capital necessary to expand and take advantage of future opportunities, and stock market valuations. Such forward-looking information involves important risks and uncertainties that could significantly affect actual results and cause them to differ materially from expectations expressed herein and in other Company reports, SEC filings, statements and presentations. These risks and uncertainties include local, regional and national economic conditions, the demand for homes, domestic and international political events, uncertainties created by terrorist attacks, the effects of governmental regulation, the competitive environment in which the Company operates, fluctuations in interest rates, changes in home prices, the availability and cost of land for future growth, the availability of capital, uncertainties and fluctuations in capital and securities markets, changes in tax laws and their interpretation, legal proceedings, the availability of adequate insurance at reasonable cost, the ability of customers to finance the purchase of homes, the availability and cost of labor and materials, and weather conditions.
