

# Toll Brothers' Gibraltar Capital and Asset Management Completes Private Transaction to Acquire Real Estate Loan Portfolio

January 05, 2012

HORSHAM, Pa., Jan. 5, 2012 (GLOBE NEWSWIRE) -- Gibraltar Capital and Asset Management, LLC ("Gibraltar") ([www.gibraltarcapital.net](http://www.gibraltarcapital.net)), a wholly owned subsidiary of Toll Brothers, Inc. ([www.tollbrothers.com](http://www.tollbrothers.com)), today announced the closing of another private transaction with a large financial institution.

The transaction, which was completed on December 29, 2011, involved the purchase of 11 non-performing loans, the combined outstanding balance of which was approximately \$51.4 million. The loans have an average balance of approximately \$4.7 million, and are secured by commercial land and buildings located in Virginia, North Carolina, and South Carolina.

Roger A. Brush, president of Gibraltar Capital and Asset Management, stated: "This transaction, which is Gibraltar's first primarily commercial portfolio, provides further diversification to Gibraltar's predominantly residential acquisition, development and construction (ADC) loan portfolio holdings. Gibraltar has acquired, on its own and in partnerships, non-performing loan portfolios with outstanding balances exceeding \$2.0 billion. With Toll Brothers' capital and national footprint we continue to have a strong appetite for similar distressed opportunities involving both residential and commercial assets."
