

Toll Brothers Announces Closing of Purchase of Shapell Industries, LLC and Related Financings

February 05, 2014

HORSHAM, Pa., Feb. 5, 2014 (GLOBE NEWSWIRE) -- Toll Brothers, Inc., (NYSE:TOL) (www.tollbrothers.com), the nation's leading builder of luxury homes, today announced the completion of its acquisition of the homebuilding operations of Shapell Industries, LLC ("Shapell Homes"), a premier private California land development and home building company, for approximately \$1.60 billion in cash. The purchase includes approximately 5,200 home sites, 97.5% of which are entitled, in established coastal California communities. This land was assembled by Shapell over many decades in many of Northern and Southern California's most affluent and high-growth markets: the San Francisco Bay area, metro Los Angeles, Orange County and the Carlsbad market.

Douglas C. Yearley, Jr., Toll Brothers' chief executive officer, stated: "We announced this transaction on November 6, 2013. Since then, we have focused on integrating Shapell Homes into our Company, and have become even more excited about the Shapell land portfolio and the approximately 100 Shapell associates who will be joining our team.

"The portfolio of entitled land we are acquiring may be the last great concentrated assemblage of this scale and quality in coastal California. The combination of the Shapell and Toll Brothers teams and land holdings gives us one of the premier platforms in several of the nation's most dynamic housing markets.

"We would like to express our appreciation to our banks for their tremendous support. Our new five-year floating rate term loan is at a rate currently below 2% with covenants substantially similar to our existing \$1.035 billion five-year and new \$500 million 364-day revolving credit facilities.

"Closing this acquisition at the start of our second fiscal quarter and at the start of the Spring selling season has been a strategic goal of ours. With our great brand and strategy of driving price through excellent architecture and extensive customization, we believe we will be able to re-launch Shapell communities to achieve even higher levels of success."

Robert I. Toll, executive chairman, stated: "The scale and quality of the land that the Shapell family amassed coupled with the dynamism of the markets where their sites are located make this a once-in-a-lifetime opportunity. With this acquisition, we look forward to many more years of success as we enter our third decade serving the residents of coastal Northern and Southern California."

Toll Brothers financed the acquisition with a new \$485 million 5-year senior unsecured floating rate bank term loan, as well as \$600 million of recently issued 5-year and 10-year senior unsecured debt and \$230 million of common stock. The balance of the funds will consist of a \$370 million draw from its existing \$1.035 billion 5-year

bank revolving credit facility. In addition, the Company closed on a \$500 million 364-day unsecured bank revolving credit facility, which it does not plan to draw on for this transaction. Between cash and untapped bank credit facilities, the Company still has approximately \$1.5 billion of available liquidity to support current operations and future growth. As previously announced, post-closing, Toll Brothers intends to selectively sell approximately \$500 million of land to return some expended capital and manage its California concentration. As a result of these lot sales and the delivery of existing backlog, the Company believes it will recapture a significant portion of its investment within eighteen months of closing the transaction.

Citigroup Global Markets Inc., Deutsche Bank Securities Inc., PNC Capital Markets LLC, RBS Securities Inc. and SunTrust Robinson Humphrey, Inc. acted as Joint Lead Arrangers and Joint Bookrunners for the \$500 million 364-day senior unsecured credit facility with Citibank, N.A. as Administrative Agent; Deutsche Bank Securities Inc. and The Royal Bank of Scotland plc as Syndication Agents; SunTrust Bank and PNC Bank, National Association as Documentation Agents.

SunTrust Robinson Humphrey, Inc. acted as Sole Lead Arranger and Sole Bookrunner for the \$485 million 5-year senior unsecured term loan with SunTrust Bank as Administrative Agent; Sumitomo Mitsui Banking Corporation and U.S. Bank, National Association as Syndication Agents; Capital One, National Association and Wells Fargo Bank, N.A. as Documentation Agents; The Bank of New York Mellon, Beneficial Bank, Fifth Third Bank, PNC Bank, National Association and Mega International Commercial Bank New York Branch as Lenders.
